SAVED HER LIFE.
Mrs. L. A. Haskell of Charlestown, Mass., Rescued from the Grave.
Mrs. L. A. Haskell was a dreadful sufferer from nervous debility. Life was gradually passing away. She could barely walk. Became blind and deaf. Her former self. Prominent physicians could not help her. Weeks in the country were of no avail. Turned her footsteps sadly homeward. Family and friends felt anxious. Thought she must die. A friend recommended HIDDEN'S MAGNETIC COMPOUND. It proved an angel helper. Was the Good Samaritan in the hour of need. It rescued her from the very brink of the grave. Under date of Jan. 24, 1892, she says: "I am now in very excellent health--a living testimony to the care worth of HIDDEN'S MAGNETIC COMPOUND. They all tell the same story. Patients improve from the very first dose. The flush of health returns. They are soon well and strong. Out compounds is not a sarsaparilla. Do not confound it with such mixtures. It is a valuable all the year 'round medicine. It cures nervous diseases, paralysis, rheumatism, heart disease, diseases of the blood, liver and kidneys, and stomach troubles of every name and nature. HIDDEN'S MAGNETIC COMPOUND sells on its merits. It does not require to be boomed. A trial wins its new friends everywhere. Composed of carefully selected and scientifically prepared roots, herbs and barks, it is a natural medicine. It cures in the natural way. If you try it once you will always recommend it. It is the coming medicine. Druggists, \$1. TRY IT, TRY IT, WILL DO YOU GOOD. If you are sick do not delay. Try HIDDEN'S MAGNETIC COMPOUND.

A WONDER IN WORCESTER!

A grateful husband and father says of his wife:

"THANK GOD SHE IS WELL!" Of his son 9 years of age, that he expected to die:

"HE IS PERFECTLY WELL!" Of his little five year old lad:

"Building Him Up Wonderfully!"

DANA'S SARSAPARILLA IS CHEAPER AT \$1.00 PER BOTTLE THAN ANY OTHER PREPARED BY PHYSICIANS IN MASS. BECAUSE IT'S "THE KIND THAT CURES."

DANA'S SARSAPARILLA CO., Belfast, Me.: GENTLEMEN--DANA'S SARSAPARILLA has been such a God-send to my family that I must let others know. For the last 10 years my wife has had very poor health. PERFECTLY WELL. Building Him Up Wonderfully!

Five months ago I bought a bottle of DANA'S SARSAPARILLA. It helped her so much I bought three more, and it seems almost impossible to describe the change it has wrought. THE KIDNEYS HAVE DISAPPEARED, also the pains in side and limbs, no more bearing down pain or velocity. PERFECTLY WELL. GOD, she is a WELL woman to-day.

My oldest son 9 years of age, had the "Croup" last winter. It left him with a bad cough, and he became so poor that he was actually a living skeleton, could not go to school. He has taken two bottles of DANA'S SARSAPARILLA, and to-day he is a healthy, robust boy, and goes to school every day.

My youngest son five years old was puny and sickly, had no appetite, was all run down. He is now taking DANA'S and is gaining every day, color has returned to his face, and he is BUILDING HIM UP WONDERFULLY.

Hoping this may induce others to try it, I remain, Yours respectfully, JOHN C. JEFFRIES.

No. 175 Pleasant St., Worcester, Mass. This is to certify that I sold Mr. Jeffries DANA'S SARSAPARILLA and believe him to be an honest, truthful person, and do not believe he would make a false statement in regard to its merits. Yours respectfully, FRANK H. TENNEY, Druggist.

House and Senate at War Over the Sundry Civil Bill.

WHEN THAT IS SETTLED, THEY MAY ADJOURN AND GO HOME.

The World's Fair Appropriation Again Hung Up--So is the Amendment Concerning the Employment of Pinkertons--The Parsimonious House Will Do Nothing for Widows of Supreme Court Justices--Postmaster Manley's Resignation.

WASHINGTON, July 23.--The committee of conference on the sundry civil appropriation bill today succeeded in adjusting all the points of difference between the two Houses except as to the World's Fair appropriation of \$5,000,000 in regard to which they will report a total disagreement. The other Senate amendments of some 300 in number were non-concurred in by the House. They provide for an addition to the bill of about \$6,000,000 distributed through almost all the branches of the services it covers. The senate conferees agree to recommend that the Senate abandon about \$4,000,000 of this amount and the House conferees recommend that the House agree to grant the remaining \$2,000,000. The conferees have stricken from the bill all the new legislation inserted by the House in regard to district attorneys and marshals.

Various other large amendments were agreed to or compromised so as to fix the amounts as follows: For the international monetary conference, \$80,000; for the construction of a public building at Omaha, \$100,000, for a new light house at Nantucket, \$75,000. Among the Senate amendments wholly stricken out are those appropriating \$10,000 each for the widows of three supreme court justices.

It was learned late this evening that the Senate conferees refused to accept the O'Neill Pinkerton amendment to the bill adopted in the House when the Senate amendments were being considered. This amendment prohibits the employment of Pinkertons by persons. The Senators were willing to agree to a modification of the amendment but the House conferees thought it would be better to give the House an opportunity to pass judgment on the proposed modification.

TO THE PARENT STATE.

Passamaquoddy Indians Airing Their Grievances in Massachusetts.

BOSTON, Mass., July 23.--Hon. James A. McGeough of Boston is counsel in Boston for the Passamaquoddy tribe of Indians, which last Thursday presented to the Governor and Council of Massachusetts the following interesting petition, which was referred to the attorney general:

"To the Governor and Council of the Commonwealth of Massachusetts: Your petitioners, being all male members of the Passamaquoddy tribe of Indians, over 21 years of age, respectfully represent, that we are, and have been since we can remember, residents of the reservation set apart for us under direction of the General Court, and have in all respects observed our treaty obligation to the colonies and to the state of Massachusetts. We further represent that our ancestors were not parties to the agreement of separation between Massachusetts and Maine, but evidently acquired in it, in the belief that Maine would carry out the agreement made with Massachusetts in the act of separation, which was to perform all the obligations of Massachusetts toward our tribes, whether the same should arise from treaty or otherwise.

"These privileges, including the free right to hunt and fish at all seasons, and for a time Maine did observe the agreement, but in 1839, for the first time, passed a statute forbidding us to fish and hunt at certain seasons of the year.

"This clearly was a violation of their agreement, and a great injustice to us, for it took away, and still takes away, our chief means of support for several months each year. The Passamaquoddy tribe has not been so well treated as the Penobscot tribe, nor has our tribe ever released its rights as did the Penobscots, as the documents show.

"This, we claim, is unsatisfactory for various reasons: First, our tribal relations still continue; second, our tribal relations are the same as they were before 1839, and at date of separation in 1820; third, we are and always have been recognized by the Maine Legislature, and so styled by it as the Passamaquoddy tribe of Indians; fourth, our location and manner of life is the same as when our forefathers fought under Col. Allen for the Colonies in the struggle for independence; fifth, the case is contrary to every case on record, and the Maine Legislature, and so styled by it as the Passamaquoddy tribe of Indians; fourth, our location and manner of life is the same as when our forefathers fought under Col.
